

The background of the entire page is a delicate, light blue illustration of tulips. The flowers are in various stages of bloom, with some fully open and others as buds. The stems are thin and elegant, with some leaves visible. The overall style is soft and artistic, with a watercolor-like texture.

The Coming of the Light to the Torres Strait Islands recognises the adoption of Christianity through island communities during the late nineteenth century. The London Missionary Society brought Christianity to the Southwest Pacific from the 1840s.

In July 1871, the Reverend Samuel MacFarlane, a member of the Society anchored at Erub (Darnley Island) in the Torres Strait. He was accompanied by South Sea Islander evangelists and teachers

The Cathedral's Mission to Seafarers' 90th anniversary window shows Mary holding a ship within a globe, symbolising the world around which the seafarers journey. From the base of the globe flows the water, falling in a decorative pattern on Mary's girdle to the logo of the Mission to Seafarers, linking the ship to the worldwide seafaring society.

The lower panel displays the logo of the MtS supported by nautical symbols; while below is a depiction of Castle Hill from Cleveland Bay, with modern day shipping on the waters in the Port of Townsville.

St James' Anglican Cathedral, Denham St., Townsville City

 St James Anglican Cathedral Art & Craft Exhibition

Our Rood Cross depicts the crucifixion with Mary, the Mother of Jesus, and St John standing by. Mary Magdalene kneels at the foot of the cross.

Our Cathedral window of St James is from 1907 and is dedicated in memory of the late Mr James Gordon, who was actively associated with the early history of Townsville, and especially with the beginning of church work in the city.

Our Cathedral bell tower supports a white stone statue of Saint James the Great, (affectionally known as "Slim Jim") which was erected in 1960 on the completion of the Cathedral. The sculptor was Erwin A. Guth who was born in Saarbrücken, Germany in 1926. He studied at the Berlin Academy of Fine arts during the Second World War (1940-42) and was a teacher of sculpture at the Ministry of Public Worship and Instruction of the Saar from 1950-1953 before migrating to Australia in 1954.

Thanks to all Guides who keep the Cathedral open each day. Many people say how few churches are open, and how pleased they are to look around or to have a quiet place to sit.

NORTH APSE CLERESTORY WINDOW ST. THOMAS

Given by the Hohenhouse family, friends, Parishes and Schools throughout the Diocese in memory of Archdeacon W.P. and Dorothy Hohenhouse

Dedicated 4th January 1986

Archdeacon Hohenhouse was a choir boy, curate and Sub-Dean at St James' Cathedral (1946-65)

Dorothy Elizabeth Hohenhouse often quoted her great reluctance to become a clergyman's wife claiming that she would be ghastly in such a role. Yet all who were privileged to know her would admit that such a great and gracious lady had influenced their lives in no small measure.

Dorothy McKeown and her sister Rosemary recently visited the cathedral

"We worshiped there so often years ago as Archdeacon Hohenhouse was our Uncle Bill. His wife Dorothy, who I am named after was our dad Geoffrey Wakefords older sister. We have fond memories of visiting them in the old subdeanery.

There were two windows dedicated on the day, dear doubting Thomas for Aunty Dot and Uncle Bill and beside him is Phillip, dedicated to the Wakeford and King families"

NORTH APSE CLERESTORY WINDOW ST. PHILIP

Given by Mrs Lil Wakeford in memory of the King and Wakeford Families who had connections with the Cathedral Church and Parish

Dedicated 2 September 1984

Mothers unite to meet challenges of modern world

MAKING A DIFFERENCE . . . members of the St James Cathedral Mothers Union branch in 1965 celebrate their 25th anniversary

MEMBERS of the St James Cathedral branch of the Mothers Union will celebrate their 60th anniversary at a special mass on Saturday.

Ingham, Ayr and other Townsville branch members have been invited to the church service at 9.30am, followed by lunch.

They are part of the World Wide Mothers Union, an Anglican or-

ganisation which aims to strengthen and preserve marriage and Christian family life.

The St James group, founded in 1940, meets on Saturday mornings after mass at 8.30am in the Lady Chapel.

Branch president Eva Hill says the Mothers Union, known as MU Australia, has evolved to help with problems in marriages.

Phone Mrs Hill on 4779 2574 for details.

Are you in the photo, or do you know any of these faces?

Dear Members,

Thank you for the gift of hygiene material and the donation which will buy many more products to make up packs. This is an amazing gift and will be appreciated by those who are in distress. Because of the generosity of people, so far this year we have been able to distribute 251 packs and all have been gratefully received.

Thank you again,
God bless you all,

In December, ***Stable on the Strand*** usually turns Strand Park into the city of Bethlehem. Sixty Townsville churches, combine to give families a wonderful time.

It is unique in Australia and Townsville is proud of it!

It is completely free, and for about half of the 40,000 who come to Stable, it is their only contact with Christianity. This year, because of the COVID rules and so we can reach other people, we are presenting ***Stable at Riverway***, with all the features of the ***Stable on the Strand***.

Stable on the Streets will again feature displays and carols at homes and churches – remember the scenes we had outside St James.

We hope some of our congregation will volunteer at Stable this year or at least support Stable financially. ***Stable at Riverway*** is our Mission of the Month for July.

Enquiries, please phone or email Di MacGregor (our Anglican member on the committee.) 0431724032 diana_macgregor@hotmail.com

A Cursillo Weekend will be held in Townsville in September.
Ask Fr Kenneth if you would like to find out more

The *Cursillo* focuses on showing Christian laypeople how to become effective Christian leaders over the course of a three-day weekend. The weekend includes fifteen talks, by priests and by laypeople. The major emphasis of the weekend is to ask participants to take what they have learned back into the world, on what is known as the "fourth day." The method stresses personal spiritual development, as accelerated by weekly group reunions after the initial weekend.

Funnies

*A Bishop was invited to dinner.
During the meal he was amazed to hear the
young daughter of the house say that a
person must be very brave to go to church.
“Why do you say that?” asked the Bishop
“Because, “ said the child, “I hear Dad tell
Mum that there was a big shot in the pulpit,
the canon was in the vestry, the choir
murdered the anthem and the organist
drowned everyone”*
