Parables provoke, challenge and inspire. Jesus told parables because they serve to unlock the mysteries we face by helping us ask the right questions: how to live in community; how to determine what ultimately matters; how to live life

Jesus knew that the best teaching concerning how to live, and live abundantly, comes not from spoon-fed data. Instead it comes from narratives that remind us of what we already know, but are resistant to recall. From stories that prompt us to draw our own conclusions and at the same time force us to realise that our answers may well be leaps of faith, or traps.

The parables if we take them seriously not as answers but as invitations, can continue to inform our lives, even as our lives open up the parables in new ways. Amy-Jill Levine "Short Stories by Jesus"

WE ARE ONE BODY IN CHRIST JESUS

Clockwise from top left: The Chapel has been enlarged since Easter; Ukrainian seafarers leaving for "home" to visit with families in host countries, Chairman Rod and Shop assistant Matthew visiting a vessel at Berth 9; US military visiting for 'Talisman Sabre' exercises; some of the great smiles from visiting seafarers; visitors from the pastoral care team at the Mater Hospital attending our monthly Tertiary Franciscan Eucharist in the Chapel of St Nicholas...with more smiles.

- In 1899, Miss Florence Buchanan of Thursday Island, was invited by Bishop Barlow of the Church of England in Townsville, to work among the Chinese and Japanese children. A Japanese school was opened in Jubilee (now Synod) Hall, at the back of St James Cathedral, and a school for Chinese children was opened in the Mission Hall, constructed below Synod Hall in Ching St. The Japanese school continued at least until 1902 when Miss Buchanan returned to Thursday Island.

- However, in 1903, Cyclone Leonta destroyed the Chinese church. A new church was opened and dedicated on 10th October 1906, but as the years passed the Chinese residents moved elsewhere, the need for such a mission passed. It is thought that in 1925 the church, then disused, was moved to the parish of South Townsville, and was re-erected there as a parish hall. *Information from the Anglican Diocese of North Queensland Archives.*

A close-up photograph of a hand reaching upwards, palm facing up, against a bright, hazy background of a sun and a rainbow. The lighting is warm and golden, creating a sense of hope and prayer.

Almighty and everlasting God:

Our days are in your hands; we lift up all those in the Holy Land who are victims of violence and injustice, that you might empower your Church to bring healing to the wounded, relief to the suffering, and comfort to those who mourn.

We pray also that you would soften the hearts of all those involved in the recent conflicts, that they would be led to work for justice and lasting peace in the land where your Son, our Lord Jesus Christ, first came to bring hope and abundant life to all people.

These things we ask in his Holy Name.

Amen.
